

Wren Keturi Running in 67th Assembly District

Wednesday, May 9, 2018

Wren Keturi - 67th Assembly District - "This Campaign Is About Opportunities"Wren Keturi, of Chippewa Falls, is running for Assembly District 67, which covers much of Chippewa and Dunn Counties. "I'm running because I believe every resident in the 67th should have access to great opportunities--great public schools, the technology necessary to grow their business, access to affordable healthcare, and a clean and safe natural environment.

This campaign is about creating generational opportunities for success, not just about election-year talking points. What will happen to the GOP promise of more funding for schools or affordable health care when the election is over? We can look to history to have a pretty good guess."
