2018 Fundraiser

Our annual office fundraiser is off to a fantastic start! Like always, our members are giving generously knowing the huge task we have before us to elect strong progressive candidates from our local county board seats to our US Senatorial race. And like Democrats all across the country we are standing up to be counted, and we are winning!

That's why it is essential to maintain our office where new (and old) activists can meet and plan and do. And they have been doing that quite frequently this year already. We will not sit idle, so your generous donation is an essential step in helping us do our work here in Chippewa County.

Can you make a donation today? Your donation will ensure we have the funds to do what we know we must do.

Please donate to the Democratic Party of Chippewa County today!

To set up a sustaining monthly donation or a one time donation online go to:

Or, simply send a check to our office made out to the Democratic Party of Chippewa County.

We appreciate every donation, no matter how large for small. Thank you in advance!

Solar News

The US solar industry lost 3.8 percent of its jobs, about 9,800 workers, in 2017.

While the industry saw record-setting growth in 2016, activity slowed because of policy challenges in some states and uncertainty over Trump's tariffs on imported solar panels.

But the long-term job trajectory is still very positive. The domestic industry had a total of 250,271 employees last year, a 168-percent increase from 2010.

Phoning for Florian

In conjunction with our regular monthly meeting on February 15th we will be having a phone bank prior to, and after, the meeting. The phone bank will be for Florian Skweirczynski's primary election on February 20th. We will be calling voters in his District to get them out to vote for him in the primary. There is a concerted effort in Chippewa County to replace our progressive candidates and we need everyone's help to insure their re-election.

Chippewa County Democratic Dinner

April 14, 2018 is the date for the 14th Annual Chippewa County Democratic Dinner. Our invited guest speakers are Senator Tammy Baldwin, Congressman Ron Kind, State Senator Kathleen Vinehout, and State Representative Dana Wachs. We are also planning to have a meet and greet for gubernatorial candidates prior to the event. Please save the date, put it on your calendar, and invite your friends and family to attend this event. We need to encourage everyone to get out and vote!
